ABOUT SWAMY VIVEKANANDA VIDYA SAMSTHE

Swamy Vivekananda Vidya Samsthe®, is a voluntary organisation registered under the Indian Trust Act. The Trust having its head office at Shikaripura is contributing invariably in providing quality education and also involving in social service since 1996. The Trust is rendering a remarkable service in the field of education by running several reputable and prestigious educational institutions.

Our institution is known for quality education. The institution has achieved 100% results in all previous years. The teachers of the institution are continuously appraised with the recent trends in teaching learning and evaluation.

ABOUT OUR COLLEGE

The Mythri College of Education was established in the year 2005 and is running under the SVVS Trust, Shikaripura. The college is located beside national highway and is well connected to all the destinations of the state. The college is recognized by NCTE and affiliated to Kuvempu University, Shivamogga.

Our Institution was established to meet the needs of the teaching professionals in the central part of Karnataka. Equipped with adequate infrastructure, the Mythri College of Education has a track record of providing good quality teacher education. College has secured 100% results and ranks since its inception. Thus it claims to be an institution of excellence both in terms of academics and physical environment.

ABOUT THE CONFERENCE

Teacher education reforms movement is an international trend towards the teachers' professionalism. There is an urgency to raise the standards of teacher education across the nations. There are several affiliated colleges and institutes that offer teacher education programs. The teacher education programmes need drastic change in regulations and curriculum. Over the last few decades the teacher education has been severely criticized for being absolutely theoretical and away from practical implication. Teacher education system has to evolve a mechanism so that the quality & competency of teachers in India considerably improves. As reflected through policy documents and related reports of NCF

2005 & NCFTE (2009-10) JS Varma committee report emphasizes the need for reorganizing educational endeavors and redefining the educational goals. NCTE initiatives through teacher education curriculum 2014 envisages that teacher education should follow planned approach for its overall development. In this context Mythri College of Education has proposed to organize a one-day National Conference on "Emerging Trends in Teacher Training and Development". The conference will provide a platform for teachers, academicians, educationists, researchers, counselors, management practitioners, teacher educators, NGO's, industries, regulatory bodies and policy makers as a whole to exchange their views on implementation of new curriculum and practice for improving quality of teacher education institutions.

OBJECTIVES :

- * To know the changing role of the teacher.
- * To know the challenges in teacher education
- * To promote equitable and sustainable development
- * To improve the efficiency of teacher education institutions
- * To overcome the problems and difficulties of teacher education institutions.

SUB-THEMES OF THE CONFERENCE

1. Inter- disciplinary areas of education.
2. Cross cultural aspects of education
3. Curriculum research and development
4. E- Learning, content development and quality management.
5. Performance measurement and assessment.
6. Internship in teaching.
7. Engagement in field work.
8. Enhancing professional competencies.
9. Employability of graduates in education.
10. Administration and organizational issues in teacher training institutes.
11. Implementation of Policy Perspectives in Teacher education.
12. Inter linkages of educational administrative agencies of pre-service training.

CALL FOR PAPERS :

We invite scholars, researchers, teachers, academicians, educationists, teacher educators, NGO's, industries, regulatory bodies and policy makers for thematic and research based papers on the above suggested themes. The seminar papers should be original, unpublished and coherent to the seminar themes. Abstracts should not be more than 300 words in full length papers not exceeding 6 pages. (A4 size, Title Case 14, Times New Roman- font size 12, with 1.5 line spacing, margins 2.5 cm or 1 inch on all sides). Abstracts and full papers are to be submitted through e-mail to papers.mythrieducationgroup@gmail.com along with a hard copy to the Organising Chairman, National Conference, Mythri college of education, Shivamogga-577203 Karnataka. A Selection committee will scrutinize the papers; only selected papers will be presented in technical sessions and further they will be published in the conference CD with ISBN. Papers are accepted and published either in English or in Kannada languages only.

ABOUT SHIVAMOGGA :

Shimoga officially renamed as Shivamogga, is the district headquarters situated in the central part of the state of Karnataka, India. The city lies on the banks of the Tunga River. Being the gateway for the hilly region of the Western Ghats, the city is popularly nicknamed as "Gateway of Malnad". Shimoga is a true nature's gift, spread with waterfalls, enchanting natural scenery of hills, dense forest, flora and fauna, forts, swaying palms and abundant paddy fields make picturesque locales. Religious and tourist places like Sringeri, Horanadu, Jogfalls, Kodachadri, Agumbe, Tunga and Bhadra reservoirs are some of the nearby places worth visiting.

Shivamogga is a prime center for Higher Education, and Teacher Training Institutes in Karnataka. Kuvempu University is located in Shankarghatta, at a distance of 20 km from Shivamogga. The contribution of Shivamogga city & district as a whole is immense in various fields to the Karnataka state as well as India.
